

Action Delayed On Emerald Bay Span At Capitol Meet

Commissions Will Meet To Discuss Issues At Sacramento

SACRAMENTO — (CNS) — The assembly transportation and commerce committee has sidestepped action on a resolution calling for construction of an all-year low-level route at Emerald Bay, Lake Tahoe, pending a joint meeting of the highway and park commissions on March 19.

Senator Swift Berry, author of SCR13, presented a parade of residents and business people from the west side of the lake, as well as the northern and southern areas of the scenic resort spot. Opposition to the measure was confined to residents of Berkeley, Palo Alto, Los Altos and San Diego.

Some of those in opposition to the resolution, which would feature a low-level bridge across the mouth of Emerald Bay, admitted they owned property in a subdivision which might be purchased for rights of way if the low-level route were constructed.

"I feel a little embarrassed in taking the committee's time, as construction of this highway should be just a routine matter," Berry said.

Berry said a low-level route would be shorter and probably would be an advantage to the two state parks through which it would travel—D. L. Bliss and Emerald Bay. The park commission has objected to the bridge and its approaches on grounds it would destroy the beauty of the parks.

"At the present time, the parks are managed by the division of beaches and parks as collector's items," Berry said. "They don't welcome people visiting them."

KEHLET SPEAKS
George Kehlet, operator of Meeks Bay resort north of Emerald Bay, said the closure of the present route split the county in half and the area in between was without fire protection, police protection or schools.

Assemblyman Charles E. Chapel asked if the witnesses were aware the "Nevada slot machines interests" were in opposition to an all-year route by Emerald Bay as they wanted traffic to travel straight through to Nevada.

"The Nevada legislature is against this too," Chapel said. "You know who controls the Nevada legislature, don't you? It's not the Women's Christian Temperance Union."

Kehlet said the low-level route "is not going to destroy many campgrounds because there are not many to destroy." He said the parks contained about 1,600 acres of land but only 200 campsites.

Resolutions supporting the bridge route were presented from the Lake Tahoe South Shore Chamber of Commerce, Lake Tahoe Sierra Chamber of Commerce, El Dorado County Chamber of Commerce and the El Dorado county board of supervisors.

NO RESIDENT OPPOSITION
No resident of the area appeared in opposition, although several of the witnesses in opposition to Berry's resolution said they owned property which might be traversed by the low-level route.

David Dunlop, Berkeley attorney and member of the Sierra Club, said the problem of snow removal on a high level route, including a tunnel, could be solved with another tunnel.

"Of course, costs and things like that have not been determined," he said. "But the ingenuity of engineers is going to provide us with the complete solution of this problem which won't deface six miles of lake front."

One witness, Frank Harper, of San Diego, said, "I'm not a member of any organization—I like trees." Another, Fritof Thygeson, of Berkeley, read notes his children, aged six and five, had written, protesting "ruining" Lake Tahoe with a bridge.

Vote on holding the bill in committee for another hearing March 26 was 10 to 3 in favor. It had been generally understood before the two-hour hearing, no vote to send the bill to the assembly floor would be taken.

The office of Gov. Edmund G. Brown had intervened, asking that no action be taken until the joint meeting of the park commission and highway commission on March 19.

MRS. RAY BROWN IS HONORED AT PARTY

Mrs. Ray Brown was complimented at a stork shower Saturday evening with Mrs. Aaron Thomas as hostess, in the George Kaspien residence.

Twenty three close friends and relatives of the honoree shared the pleasant evening. Games were played before the shower of pink and blue gifts were presented to Mrs. Brown in a bassinet lined in satin and net.

At refreshment time the motif indicative of the party theme was continued in the attractively decorated cake and ice cream.

Mr. and Mrs. Gale Brown and Mrs. Ellis Buell of Tahoe Valley were out-of-town guests at the affair.

Mrs. Farley Named To Head Truckee Elementary PTA

Mrs. Calvin Farley was elected president of the Truckee Elementary P.T.A. at the March meeting held Monday evening. She will take up the gavel May 11th and serve throughout the 1959-1960 school year. Other officers elected were: Mrs. William Davis, 1st vice president; Mr. Weston Sauby, 2nd vice president; Lorrin W. Ferdinand, treasurer; Mrs. Louis Goicoa, secretary; Mrs. Ray Hintz, parliamentarian. Installation ceremonies for the new officers will be held April 13th.

A large audience was on hand Monday evening to share in the Founders Day festivities which had been postponed last month because of bad weather. Featured on the musical program was the dance studio of Miss Rene Hall. Some seventeen young ladies performed various dancing numbers to the delight of the audience.

Other talented young performers were Monty Straub, pianist; Timothy McLane, violinist; Jonathan McLane, pianist; Bruce King, pianist. A father-daughter number by Bob and Marcia Leamon was also featured. Mrs. Winifred Scott, second grade teacher, presented her entire class in rhythm band and choral numbers.

Past-presidents of the Truckee Elementary P.T.A. were introduced to the audience. Present were Mrs. Wilber Glenn, Mrs. Edward Frates, Mrs. Ray Hintz, and Mrs. Robert Leamon. Mrs. Hintz made the presentation of the past-presidents pin to last year's president, Mrs. Glenn.

The room count banner was won by Mrs. Scott's second grade. The executive board announced that a prize will be awarded the room having won the banner the most times by the end of the school year. At the moment, Mike Leslie's fifth graders and Arlene Roth's 3rd and 4th graders are running neck and neck.

Mrs. Roy Saarni, president, expressed appreciation to Mr. and Mrs. Conrad Wainscoat for their donation of the beautiful founders day birthday cake, and to Zeph Rose and the Z Market for having kept it in a frozen condition for the past month.

POT LUCK DINNER IS PLANNED BY GIRLS

By Karoline Malmgren
Hope Assembly of the Order of the Rainbow for Girls of Truckee, is going to be visited Friday, March 13, by the Grand Worthy Advisor, Kathy Oldham and her grand officers of Nevada. In honor of the visit, the Rainbow Girls of Truckee will give a pot luck dinner at six o'clock which shall be open to parents and friends.

At seven o'clock the meeting of the Rainbow will be open by Worthy Advisor Jo Ann Van Hooser. The presentation and entertainment, at eight o'clock, will be open to all parents and friends who would like to attend.

EASTER SHOW WILL FEATURE CLUB MEET

CRYSTAL BAY — The Lake Tahoe Newcomers club will meet at 7:30, March 18 in the Crystal Bay Club when they will have a pre-Easter showing of colored pictures of the Holy Land by Mrs. Frank Torsak of Tahoe Vista. Rev. Earl Langguth will narrate on the pictures as they are shown.

A full course dinner will be served for a nominal sum and the public is invited to attend.

CLASSES CONDUCTED AT CATHOLIC HALL

The Confraternity of Christian Doctrine class was held last Thursday evening at the Parish Hall. The class was conducted by Sister Eva, a Sacred Heart Sister of Reno, and Father O'Neill of Truckee.

The course consists of 4 semesters, each lasting 10 weeks. All who successfully completed the entire course will be presented with a diploma by the Bishop and will be qualified to teach catechism. Those who do not intend to teach are very welcome to attend the classes.

Attending the first class were groups from Kings Beach, Loyalton, Tahoe City and Truckee. The next class will be held tonight at 7 p.m. in the parish hall.

At Date Festival—Mr. and Mrs. Henry Strelow have returned to Donner Lake after traveling extensively in the south. The local people included the colorful date festival at Indio in their itinerary.

Chamber Adopts Pabco Plan For Paintup Project

Public Invited To Meeting Next Wednesday To Scan Plans

Directors of the Truckee Donner Chamber of Commerce at a regular luncheon meeting yesterday unanimously endorsed previous action of President N. F. Dolley and the chamber paintup committee to accept a master plan for redecorating the community offered free of charge by the Pabco Paint Company.

Details of the plan, now being prepared by color and design experts for the paint company, will be presented at a public meeting to be held Wednesday evening, March 18 at the high school.

Under the plan, no one is obligated, but the program is designed to provide the entire community, including Donner Lake area, with a master plan to harmonize the colors and have the region present a uniform face-lifting for the 1960 Olympic Winter Games.

Other companies, local civic and fraternal organizations, and painting contractors as well as individuals are urged to cooperate, thus presenting a united front in this worthwhile and important project, sponsored by the chamber in cooperation with the Truckee Fire-ettes.

Contractors and others interested were guests of Rex Reid of the Builders Supply Center at a meeting held at Smart's Monday when five company officials, A. G. Michaud, manager of public relations for Fibreboard Corporation; William J. Cain, advertising representative for Fibreboard; W. A. Wiedersheim, manager of technical services; Ned Fisher, color artist, and Lou Reed, Sacramento sales manager, were present. Pabco is a subsidiary of Fibreboard Corporation.

Dolley stressed the fact that because the design is presented by one company, there is no exclusion for others in supplying paint or services in the project.

FAVOR ROUTE

In other action, the chamber directors passed a resolution favoring alternate A as the best route for the new highway north of Truckee on State Route 89. A public hearing by the division of highways will be held next Tuesday, March 17, at the Veterans Memorial Building, on the three routes. Route A is the most direct of the three and opens up what the directors believe an ideal site for summer camp grounds and recreational centers.

Route B would skirt the reservoir on Prosser Creek while Route C would cross the dam and proceed far east of the present route. Details of the route will be explained at the meeting at 1 p.m. Tuesday.

DEPUTY IN OFFICIAL NEVADA CITY VISIT

Elmay Philippi, D. G. M. of the 13th District of the Grand Chapter, O. E. S. in California made her official visit to Evangeline Chapter No. 9 in Nevada City on March 3rd.

A capacity crowd was present with members from Auburn, Smartsville, Camptenville, Grass Valley, Dutch Flat, Colfax, Nevada City, and Truckee in attendance. The presentation and song carried out the theme of "You Are Our Special Angel". The chapter room and banquet hall were beautifully decorated with angels and spring flowers in honor of the deputy.

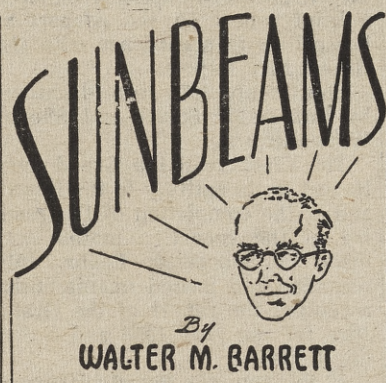

The next official visit of the deputy grand matron will be in Truckee on March 17th.

MRS. REX REID WILL HEAD AUXILIARY

Mrs. Rex Reid was elected president of the Donner Lake Firemen's Auxiliary at the February 19 meeting held in Donner Lake Lodge on the first anniversary of the founding of the unit.

Mrs. Charles O'Beare was chosen as vice president, Mrs. Richard Walker, secretary, Mrs. Richard Quist, Treasurer. Board members are Mesdames R. H. Slack, C. Z. Smith, A. St. Claire, Joseph Herron, Dan Hornman, Tom Bonano, Roy Slate.

The group will convene March 19 at the Alpine Riverside Hotel when each member is asked to take a guest, Mrs. Charles O'Beare, chairman said there will be no charge for the evening's entertainment to be presented at the affair.

It is not at all strange that the people opposing the construction of a low-level, all-year highway at Emerald Bay are non-residents of the region affected, and for the most part live far distant from the area. Some of the most violent opposition comes from people who probably have never seen the lake and never plan to. They base their arguments solely upon reports that an "unsightly scar" will mar the esthetic beauty. It's too bad they can't see the results of continuing earth and rock slides which remind one of an old abandoned mine. If only beauty alone was involved there still could be no sound argument against the bridge, but the safety of motorists must be considered as well. The possibility is not remote that one day a car, or even a string of cars, will be caught under the constantly shifting masses of earth, rock and trees which currently provide "beauty" to the opponents of the bridge. A San Diego resident appearing before a recent hearing on the question complained that he did not want to "commercialize" the lake. A Berkeley store clerk urged that the wilderness be protected for many people as yet unborn. What kind of reasoning is this? Fortunately, progress has continued in this country despite the arguments of those who seek to oppose progress. The entire top of the beautiful Sierra is being plowed up and slashed to provide for a modern four-lane freeway. Towering bridges now span the Golden Gate and the San Francisco bay, "destroying" the quiet beauty that was once there. Why should Emerald Bay Lake Tahoe be "sanctified" when the need for improvement is so apparent? Where were the "nature lovers" when those highways and bridges were built—and needed—and progress could be continued and people could enjoy, rather than fear, traveling to interesting places.

McMahon Named Housing Director
SAN FRANCISCO — Robert J. McMahon, 38, president of the Tahoe-Sierra Chamber of Commerce and a long-time specialist in resort, motel and hotel financing, has been named housing director for the Organizing Committee, VIII Olympic Winter Games, it was announced today by Robert L. King, the committee's executive director.

McMahon, a resident of Tahoe Pines, Lake Tahoe, is a graduate of the University of Illinois and the Harvard Business College. His primary duties will include securing housing for visiting officials and media personnel, and to coordinate spectator housing throughout the area.

McMahon, married and the father of a 15-year-old son, spent six years in the navy during World II, separating from the service with the rank of lieutenant commander. He is a member of the B.P.O.E., the society of California Accountants, the National Association of Tax Consultants and the past president of the Van Nuys Junior Chamber of Commerce.

Speech Contest At Hall Here Sunday

The United Nations Pilgrimage for Youth Speech Contest for Area 3 to be held in the I.O.O.F. Hall in Truckee at 2 p.m., Sunday, March 15th, will be judged by Minor Rootes, dramatic and speech teacher at Tahoe Truckee High School, Jim Sherritt of the Truckee Rotary Club, and a representative of the Truckee Lions Club.

Georgianna King will play the violin and Renee Hall will dance two numbers.

Light refreshments will be served following the program by Naomi Lodge No. 2. The public is cordially invited to attend.

ROY SAARNI WILL BE WYETHIA SPEAKER

Roy Saarni will be the guest speaker at the March 20 meeting of the Wyethia Women's Club, in keeping with Conservation Week and will show slides of forest and other conservation projects.

Mrs. Williams Randall, president has asked each member to attend and take a guest.

Mrs. Julia Davis, secretary announced that dues are now payable and because there is now a longer club year, they are \$4.00, paying a membership to September 1960.

Newcomers to the community are welcome to the regular meetings which are scheduled for the first and third Friday evenings of each month.

SWANEE HAS STREAK OF BAD FORTUNE

TAHOE CITY — A letter written in her hospital bed in the Samuel Merritt Hospital at Oakland from Eleanor Swanson, better known as Swanee by many Tahoeites, tells of her recent series of accidents, both as pedestrian and by automobile.

Swanee wrote that her stay in the hospital may be indefinite, due to multiple injuries to the head, neck, collar bone and legs, but it has been made easier by visits from the Bud Scotts and her son and daughter-in-law, Mr. and Mrs. James Baker and new baby, of Tahoe City.

Baker recently graduated from a course in police school, rating tenth high on the list.

Golfers To Pittsburgh—Mr. and Mrs. Lauren Russell, Mr. and Mrs. Dave Rose, Mr. and Mrs. Elden Tonini and Mr. and Mrs. Angelo Besio were among the local golfers who attended the Pittsburgh tournament.

The musical group will depart for the Sacramento campus early and return late the same day.

HIGH SCHOOL CHORUS WILL VISIT CAPITAL

The Tahoe Truckee High School chorus will travel to Sacramento State College Saturday, March 14, to perform in the Golden Empire Music Festival, according to Director Ross Price.

The chorus has forty-three members this year. They will feature three songs before three vocal judges in a competition performance.

Three Burglaries In Area Probed By Deputies Here

Construction Firm, Resort, Restaurant Victims Of Robberies

Truckee sheriff's deputies are investigating the burglary of the E. H. Moore and Sons plant at the new school site just west of here last week.

Deputy Sheriff Roy Waters reported an estimated \$570 worth of tools were taken from the sheds after the culprits forced the locks.

The theft was reported by Jerry Haskell, superintendent of the plant, who advised officers that someone not familiar with the plant must have been responsible because more valuable equipment in an adjoining building was not molested.

Investigation is also continuing into the theft of \$475 in currency and coin taken sometime between 1 a.m. and 8 a.m. last Thursday from Donner Ski Ranch on Donner Summit.

A warrant has been issued to Norman Saylor charging William Russell Wagner, 35, a former employee of the resort, who disappeared the same night the cash was missed. Other employees said they heard Wagner in the lounge at about the time the place closed, but paid little attention thinking it was Mr. and Mrs. Saylor.

The money was kept in a cash box in a locked cabinet.

Hal Welch of the St. Louis Cafe reported to the sheriff's office that a total of \$215 was taken from the safe of the establishment sometime Saturday night. Deputy Sheriff Roy Waters said that the safe was not locked and that although an investigation is being made, no clues were left by the burglar.

Speech Contest At Hall Here Sunday

The United Nations Pilgrimage for Youth Speech Contest for Area 3 to be held in the I.O.O.F. Hall in Truckee at 2 p.m., Sunday, March 15th, will be judged by Minor Rootes, dramatic and speech teacher at Tahoe Truckee High School, Jim Sherritt of the Truckee Rotary Club, and a representative of the Truckee Lions Club.

Georgianna King will play the violin and Renee Hall will dance two numbers.

Light refreshments will be served following the program by Naomi Lodge No. 2. The public is cordially invited to attend.

ROY SAARNI WILL BE WYETHIA SPEAKER

Roy Saarni will be the guest speaker at the March 20 meeting of the Wyethia Women's Club, in keeping with Conservation Week and will show slides of forest and other conservation projects.

Mrs. Williams Randall, president has asked each member to attend and take a guest.

Mrs. Julia Davis, secretary announced that dues are now payable and because there is now a longer club year, they are \$4.00, paying a membership to September 1960.

Newcomers to the community are welcome to the regular meetings which are scheduled for the first and third Friday evenings of each month.

SWANEE HAS STREAK OF BAD FORTUNE

TAHOE CITY — A letter written in her hospital bed in the Samuel Merritt Hospital at Oakland from Eleanor Swanson, better known as Swanee by many Tahoeites, tells of her recent series of accidents, both as pedestrian and by automobile.

The musical group will depart for the Sacramento campus early and return late the same day.

Work Started Here To Redesign Local Electrical Facilities

Marc Leh, consulting engineer for the George S. Erskine Company of Menlo Park, arrived here this week to continue the task of modernizing the electrical facilities of the Truckee Public Utility District.

It is proposed to change the system from the present 2400 KV system to 4160 KV to meet the growing demands and provide increased services.

Every line and pole in the district's system will be scanned and where needed, replacements or repair will be made, utilizing as much present equipment as possible and still providing the improvement desired.

Five new reclosers will be installed. This will serve to sectionalize the electrical system so that when repair on one phase is required, the other four sections will continue to receive uninterrupted service.

Leh was here previously to draw up the plans for the program and now will design and supervise the actual changes. The local crews will handle the work which is expected to cost \$25,000, but which, according to Manager Daven Morey, will place the district in a sound and permanent position.

\$2,988 Received For Port District

Zeph Rose, chairman of the governing board of the Truckee-Tahoe Airport District, announced receipt of \$2,988 from the office of State Controller Alan Cranston as the local share of the \$350,000 in unrefunded gasoline taxes apportioned to airport district, counties and cities.

Rose said that the apportioned money is limited by law to capital outlays or maintenance for aviation or airport purposes.

Approximately \$1000 of the money will go toward the recent survey for feasibility, the county paying the balance of the cost of this service.

Since there is a rigid restriction of how the fund from the state can be spent, Rose said, it will be accumulated until such a time as land purchase or construction of the proposed field is possible.

Cranston also reported \$2,218,561 had been refunded to aircraft operations in 1958 from gasoline taxes paid on fuel used in aviation.

Legislation has been introduced in the 1959 session to make drastic changes in the system of refunding money to cities and counties. The bill was introduced by Senator Stephen P. Teale, West Point.

PARTY IS PLANNED BY CHURCH GUILD

The Assumption Guild cordially invites the public to attend a social evening of bingo on St. Patrick's Day, March 17th. The party will begin at 8 p.m. in the parish hall in Truckee. There will be awards, also homemade pastry and other articles to be sold in bidding. Refreshments will be served.

FIVE-YEAR MEMBERS OF POST HONORED

CRYSTAL BAY — The Veterans of Foreign Wars of Post 7077, Lake Tahoe and the Auxiliary and guests enjoyed a dinner party honoring the post's five year members on March 4 at Crystal Bay.

Past Department Commander Joe Feldstoffer of Reno who was installed officer when Post 7077 was instituted five years ago presented the pins to the members who were present. They were Eugene Antonson, Leonard Bury, Bill Dugan, Eugene Faulkner, Mike Kornazewich, Bob Moore, Earl Gray, Nobel Murray, Ray Plunkett, Bob Snyder, Richard Springer and Otis Wing.

Additional five-year members will receive their pins at the next meeting on March 18.

Vets Officer To Visit

The Nevada County veterans' service officer will be in Truckee, March 13, between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of the services may do so at the office of Justice Fosten W. Wilson, Justice court, during the hours indicated.

Moved To Reno—Mr. and Mrs. Louis Landry were callers in Truckee Tuesday telling friends they have moved from north Hollywood to Reno.

In Valley—Mr. and Mrs. Keith Ross were recently valley visitors.

Prosser Dam Bid Is Scheduled For Award This Spring

Prime Contract Slated To Be Opened In April, Report Says

The prime contract for the Prosser Creek dam and reservoir is scheduled for award during April. This phase, the first in a series to complete the huge Washoe Project, is under the supervision of the bureau of reclamation of the department of interior.

Representative H. T. (Bizz) Johnson advised the Sierra Sun this week that the total estimated obligation for the fiscal year to July 1 is \$800,000 and that obligations to January 1, 1959, total \$268,969, according to the bureau of reclamation.

This latter sum is believed to represent engineering and purchase of rights of way.

A contract with the California Highway Department for the relocation of Highway 89 is scheduled for award in May.

No reference was made to the proposed Stampede dam and diversion tunnel which will comprise the major part of the Washoe project in California.

Man Is Critically Hurt In Accident

One man was critically hurt and eight others were hospitalized at the Tahoe Forest Hospital as a result of three vehicle accidents in this area during the past week.

Two of the accidents occurred in a period of three minutes on the Hirschdale bridge, one at each end of the span and cars traveling in opposite directions, Sunday at 1:15 a.m.

In the first, Harry A. Gibb, 21, Flint, Michigan, was impaled on the bridge railing and virtually disemboweled. His condition is still critical but he has a fighting chance following five hours of surgery. His companion, Frederick McKisack, 18, Michigan City, was also injured. The highway patrol said the driver apparently went into the curve too fast.

At the other end of the bridge, Gordon Cruchon, 46, and his wife, Marie, of Albany, were injured when their car struck the guard rail, almost simultaneously with the first mishap.

Mr. and Mrs. R. Lee Rhodes of Forest Hill were hurt Sunday at 10 p.m. when their car struck a rock on the highway near Farad and the vehicle overturned.

Claude H. Hood, 33, his wife, Beverly, 32 and their son, Robin, 11, were injured Sunday at 2:45 p.m. when their car got out of control near Truckee on Route 89 and overturned.

RECEPTION PLANNED FOR GRAND OFFICER

Truckee Chapter, Order of the Eastern Star will be honored with the official visit of Deputy Grand Matron Elma Philippi on Tuesday night, March 17th.

The chapter will exemplify the ritualistic work for the Deputy and Mrs. Philippi will also give instructions on the new work of the order.

The refreshment committee will be headed by Miriam Zwarg assisted by Azad McIver and Elizabeth Bavier.

TAHOE EDGES LOCALS IN BENEFIT CONTEST

A benefit basketball game was played on March 4, for Jimmy Heuga between the Truckee All Stars and the Tahoe All Stars with the Tahoe All Stars edging over the Truckee All Stars 59 to 58. Dale Freeland was high scorer for the Tahoe All Stars with 23 points and Floyd Cooper for the Truckee All Stars with 26 points.

Charles Fink, who chairmanned the affair, reported more than \$200 was cleared for the benefit.

GIRL SCOUTS BUSY ON EASTER FAVORS

KINGS BEACH — Mrs. Bob Howard, Girl Scout leader of Lone Troop No. 1 Lake Tahoe, and Mrs. Harvey Martin, VFW Auxiliary No. 7077, Lake Tahoe, youth activity chairman, report that the Girl Scouts and Brownies of the Kings Beach and Crystal Bay area are busy making Easter favors for the children in the T. B. Center at Weimar. The girls and their leaders are making clever and unusual favors from brown egg shells.

The Brownies are engaged in making Easter baskets and the projects will be completed and ready for delivery before Easter.

HAPPY DAY

Marcia Leamon celebrated her birthday yesterday, receiving gifts and many happy returns of the day from her friends and family. Dessert, with the traditional, colorful cake was served at the home of her parents, Mr. and Mrs. Robert Leamon.

In Valley—Mr. and Mrs. Keith Ross were recently valley visitors.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned meeting, February 16, 1959.
Present: John T. Trauner, Clerk;
Wm. J. Cassettari, Deputy District
Attorney.

The meeting was called to order
by the Chairman of the Board and
all members of the Board were
noted present.

The minutes of the meeting of
February 2nd were read to the
Board and after minor corrections
thereto, a motion was made by
Supervisor Loehr, duly seconded
and passed unanimously, accepting
the minutes as read.

Mr. C. Shambarger appeared in
the Board room and stated that
he had bought property from the
County about four years ago and
in obtaining a title search he found
the County did not own the prop-
erty that had been sold to him. A
general discussion ensued and a
motion was made by Supervisor
Loehr, duly seconded and passed
unanimously, directing the County
Surveyor to study the problem in
question and to report fully to the
Board at a subsequent meeting.

This being the time set by statute
for the canvass of the votes cast in

the soil Conservation District Elec-
tion, the Board proceeded to can-
vass the ballots. It was determined
that there were a total of 89 votes
cast in the election, and the fol-
lowing persons received the follow-
ing number of votes.

Elbridge Best — 60
Lucy W. Harrell — 76
Lorin N. Trubschenck — 68
Earl Dow — 47

A motion was made by Super-
visor Loehr, duly seconded and
passed unanimously, directing the
Clerk to issue Certificates of Elec-
tion to those successful candidates.

A discussion was held at this
time on the feasibility of amend-
ing the Public Resources Code to
require that districts pay the costs
of conducting their elections, and a
motion was made by Supervisor
Robinson, duly seconded and passed
unanimously, directing the
Clerk to write to Assemblyman
Paul Lunardi expressing their view
of an amendment to aforementioned
code.

This being the time set for the
reading of the 1958 Grand Jury
Report, the Clerk proceeded to
read the report to the Board. In the
Audit Committee report a discus-
sion was held on accounting
procedures now in effect at the
County Hospital. A motion was
made, duly seconded and passed

unanimously, directing the Super-
intendent to comply with the ac-
counting procedures as suggested
in the report.

A discussion was held on the
feasibility of transferring the Un-
secured Roll from the Assessor's
office to the Tax Collector's office
and the matter was referred to Mr.
Brunker for investigation.

A discussion was held on the
Personnel Commission as it now
exists in accordance with Grand
Jury recommendations, and the
matter was referred to Mr. Brun-
ker for further study.

Mr. Robert Ingram, a member of
the Airport Commission, rendered
a brief report on the Airport at
Loma Rica in accordance with the
Grand Jury Report.

The County Jails were discussed
by Supervisor Smart and Sheriff
Wayne Brown.

The Clerk read the Grand Jury
Report in its entirety to the Board,
and at the completion of the read-
ing of the report, a motion was
made by Supervisor Loehr, duly
seconded and passed unanimously,
accepting the report of the Grand
Jury for the year 1958 and order-
ing it filed.

At this time the Board adjourned
for lunch to reconvene at 1:30 P.M.

AFTERNOON SESSION:

The Board reconvened at the call
of the Chairman at 1:15 P.M. and
it was noted that all members of
Board were present.

Upon the written request of the
County Auditor and upon a motion
made by Supervisor Coughlan, duly
seconded and passed unanimously,
Florence M. Jones, Deputy County
Clerk, was granted her annual
step-pay increase, effective March
1, 1959.

Mrs. Margery Worth appeared
before the Board and requested
permission to attend a conference
in Sacramento on February 20th
and one in Auburn on February
24th. A motion granting such au-
thority was made by Supervisor
Coughlan, duly seconded and passed
unanimously.

At the written request of the
Superintendent of the County Hos-
pital and upon a motion made by
Supervisor Robinson, duly seconded
and passed unanimously, Charles
Henwood was promoted from
Gardner Range 6, Step C, to Main-
tenance Mechanic, Range 7, Step
C, effective this date.

A motion request was received
from Willard J. Rose, Treasurer
of the Nevada Conservation Coun-
cil, requesting the Board appro-
priate the sum of \$100.00 payable
to the Council to be used for Con-
servation purposes in the field
of elementary and secondary
school levels. A motion was
made by Supervisor Robinson,
duly seconded and passed unani-
mously, directing the Auditor to
draw his warrant in the sum of
\$100.00 payable to the Treasurer
of the Nevada County Conserva-
tion Council, and the same is to be
a charge against the Fish and Game
Propagation Fund of the County
of Nevada.

A letter from Dr. Foster, County
Health Officer, recommending that
a Rabies Control Ordinance be
enacted was read to the Board
and a short discussion ensued. No
official action was taken by the
Board at this time.

A letter was read to the Board
from the County Board of Trade
relative to the expenditure of \$135
for a gold specimen for the Po-
mona Fair. After a discussion a
motion was made by Supervisor
Loehr, seconded by Supervisor
Smart, directing the County Audi-

tor to draw his warrant in the sum
of \$135 chargeable to Budget Code
612 to be deposited in the Bank of
America, in the name of Willard J.
Rose, Agent. It was noted that the
3rd and 4th Districts votes nega-
tively on the motion.

The Deputy District Attorney
presented the Board with proposed
Ordinance No. 228, establishing a
parking limit on the main street
of Truckee, and a motion was made
by Supervisor Loehr, duly seconded
to adopt the Ordinance. Upon a
roll call ballot the following vote
was recorded:

Supervisor First District-aye
Supervisor Second District-aye
Supervisor Third District - aye
Supervisor Fourth District-aye
Supervisor Fifth District-aye

At this time the Purchasing
Agent appeared in the Board room
and rendered a report on his de-
partment. Mr. Hughes stated that it
appeared that the former County
Recorder, Mr. John Nettell, in-
curred a bill in the amount of
\$105.00 without following proper
purchasing procedures. A motion
was made by Supervisor Loehr,
duly seconded, directing the Audi-
tor to pay the amount even though
proper purchasing procedures had
not been followed. Upon a roll call
ballot the following vote was re-
corded.

Supervisor First District-aye
Supervisor Second District-aye
Supervisor Third District-aye
Supervisor Fourth District-aye
Supervisor Fifth District-aye

The motion did not receive the
45th majority required, so the
claim was therefore denied and re-
ferred back to the Purchasing
Agent.

At this time Resolution No. 59-
13 was presented to the Board by
the Clerk setting up the Absent
Voter's Canvassing Board for the
Special Senatorial Election, and a
motion was made by Supervisor
Loehr, duly seconded, to adopt
Resolution No. 59-13. Upon a roll
call ballot a unanimous vote was
recorded.

The annual report of the Agri-
cultural Commission was read to
the Board by the Clerk and a mo-
tion was made by Supervisor Smart,
duly seconded and passed unani-
mously, accepting the report of
Mr. Lageson and ordering it filed.

A motion was then made by Su-
pervisor Smart, duly seconded and
passed unanimously, accepting and
ordering filed the County Auditors
report covering the period from
July 1, 1958 through February 9,
1959.

Mr. William Tamblin, represen-
tative of the State Controller's
office working on the Abstract,
appeared in the Board room and
entered into a discussion on the
possible abandonment of the old
Chicago Park Townsite. He stated
that it was possible for the Board
to actually purchase the delinquent
properties in the townsite and ac-
quire title thereby. It was sug-
gested that the petitions and agree-
ments be put in proper form and
be presented to the Board at a
subsequent meeting.

Mr. A. T. Parsons, Consultant
for the County Planning Commis-
sion, appeared before the Board
and presented the Board with an
ordinance creating the airport zon-
ing requirements, and it was deter-
mined that before such an adoption
could be made, the Board would
have to have a public hearing on
such an ordinance, and the Chair-
man announced the hearing would
be held on March 19th at 2 P.M.

At this time, the Road Commis-
sioner appeared in the Board room

Papyrus is a reed-like water plant
originally found in the valley of
the Nile River in Egypt.

SUN ADS GET RESULTS

and entered into a discussion on
the feasibility of his office going
into the Parceling System for the
County Assessor. The matter was
finally deferred for final action
until the next Board meeting.

Sheriff Wayne Brown appeared
in the Board room and requested
permission to attend a conference
in Fresno, and a motion was made,
duly seconded and passed unani-
mously, authorizing the Sheriff to
attend the conference in Fresno
on March 5th and 6th, 1959.

There being no further business
to come before the Board at this
time, a motion was made, duly
seconded and passed unanimously,
to adjourn Sine Die.

TAHOE WEATHER
TAHOE CITY — With two gates into the Truckee river partly open, the level of the Lake Tahoe Monday was 6227.65, subject to revision. The maximum temperature for the week was 60 degrees on the 5th and 8th and the low was 19 on the 5th. No precipitation was recorded during the week and there were 16 inches of snow on the ground.

NEW AUTO
After a short visit to the bay area this week we see Mr. and Mrs. R. Bisson of Soda Springs sporting a lovely new green station wagon. Their family of five children are happy about the new mode of transportation because the whole family can go at the same time which was impossible in their sports car.

DONNER SUMMIT NEWS

BY DONNA POWER

FARE RATES

Thursday evening Beacon Hill Lodge was host to a representative group of Donner Summit area resort owners. The group met in an effort to arrive at a uniform rate to be charged for lodging during the month of February in 1960, while the Winter Olympic Games are in progress at Squaw Valley. A decision was made to raise the rates, but not out of reach of the ordinary visitor. The matter will be discussed with the Truckee Donner Chamber of Commerce before a future meeting is held.

NEW POLICY

The Soda Springs Ski Corporation adopted a new policy this week which applies to employees in the area who use the ski lifts on the hill. In the future, employees will pay full fare for lift tickets on Saturday, Sunday and all holidays. On all other days these employees will be allowed to ski free of charge with the proof of employ-

ment. Resort owners and their families will pay half day rates on holidays and ski free on all other days.

UTILITY DISTRICT MEETS

The board of directors of the Donner Summit Public District met at the Donner Summit Lodge on Tuesday. Present at the meeting were President Harry Pratt, directors Bill Cannon and Max Williamson, Ray Carill, and Donna Power. Recently the board was able to retire a portion of the bonds and is now setting aside 70 per cent of their revenue toward this end. Members of the board are anxious to pay these debts because they see the need for the establishment of a fire fighting system, and many other improvements in the water service. Several ideas were charge with the proof of employ-

DISTRICT OFFERS BID FOR HILLTOP LANDS

Daven Morey, manager for the Truckee Public Utility District, this week was advised that eight bids, ranging up to \$37,000 have been made to the Bank of California at Auburn for purchase of the Hill Top Lodge property south of Truckee. One of the bids, is from the Truckee Public Utility District in the amount of \$26,950. The property is being sold to satisfy a lien. It includes some 70 acres of land, a sawmill, apartments and dwellings.

this.

MOVIE MAKING

Currently headquartered at the Donner Summit Lodge is Ken Neilson, head of the Kenneth Owen Neilson Foundation, which is working on a Walt Disney film. The picture, called "Storm", is being made against a background of the Sierra Nevada in the area. A portion of the picture will be filmed on the grade over Donner Summit.

NIGHT SKIING

Donner Ski Ranch is trying something new this year on their rope tow hill. Flood lights bring the light of day to the hill and for \$1 skiers ski from 9 till 11 on Saturday evenings. When a group of 15 make previous arrangements the program is also conducted on week nights.

VISITORS

Mr. and Mrs. James Simmons are happy to welcome Miss Mimi Ashe of Berkeley sister of Mrs. Simmons and the one for whom the Simmons oldest daughter, Mimi, is named. Miss Ashe will spend a few days in the Soda Springs area before she begins a trip throughout the world which is planned to last a year.

On February 23, 1945 the American Flag was raised for the first time over the Japanese fortified island of Iwo Jima, when members of the 28th Marines planted the Stars and Stripes on the highest point, Mount Suribachi.

WHAT'S DOING

"California Conservation Week, March 7 to 14, is now being observed throughout the State. This is the 25th annual Conservation Week proclaimed by Governors of California and coincides with the silver anniversary of the California Conservation Council."

Most folks here in town never think of the telephone company when they see jet fighters tracing vapor trails through the sky. But the fact is that phone people are helping to speed up the nation's air defense by making it work almost automatically. We're building a network of telephone lines that are the nerves of a new system called SAGE. They carry signals from radar outposts to control centers in a flash. There, Air Force men see in an instant what's in the air, and can use SAGE's phone lines to order jets or missiles up without a second's delay. We watch over these lines with care, to make sure they're always working for your safety and security.

Moving soon? Then now's the time to take advantage of an offer that lets you get the extension phone you've always wanted, and save money on the installation charge, too. Here it is: when we install the phone in your new home, we'll also put in an extension (or two or three!) at no extra installation cost. Just call our business office. We'll be glad to take your order today.
Pacific Telephone

SWISS GLOBE TROTTER
MAKE VISIT TO TAHOE

By NAOMI McCLANE

HOMELAND — A twenty-three year old Swiss hero-adventurer reminded us here this week that the blood from Europe which three generations ago settled the plains and mountains of our country still runs heavy. How many of us would spend three years bicycling from Tierra del Fuego to Alaska and zig-zag through Canada and the U. S. en route—and plan a Japan tour as well?

This is what Armin Honegger of Zurich, Switzerland is doing on a budget of 25 cents a day. Pausing

briefly at the Cedar Crest home of Mr. and Mrs. Ralph Rauscher, Armin is 16 months along his way. He and a German friend sailed to Brazil almost a year and a half ago. They immediately trekked south where they traveled by air and bus but mostly by bike. If they had arrived a month earlier they would have had a flight to the Antarctic. This seems to be the only regret young Honegger has about all of his travels.

The two boys were offered a flight back up the length of Argentina but this is not their purpose in their trip. They wish to see the country and feel that the only way is foot by foot. At one point in crossing the Andes to Chile they

were lost without food for three days, but following sheep and mule traces they came to the sheep post they had been looking for.

In Colombia the German friend was called home but Honegger has continued his tour. He has cut his way through jungle country of Central America and took in the side trip the Mayan area demanded. North America travel is much easier, he says. There is no need of the machete here and after Paris and Rome the city travel does not bother him. He declares that we Americans are "more disciplined" as far as traffic is concerned.

Honegger will stop and visit whenever hospitality is offered but always sleeps out in his little tent and warm sleeping bag. He says the world is full of friendly individuals but, naturally enough, the most hospitable are those in the long empty reaches of pampas or jungle. He more than repays new friends with his gay adventures and some Swiss yodeling.

He rides a sturdy Swiss bike with English gears. His hundred pounds or so of equipment includes tent, bag, medicines, bike repair tools (he has worn out six sets of tires) all most trimly packed.

Honegger says that in his home country he is expected to settle down and work for his adulthood at the age of 25 but until that age he is looked upon as still a student—so he is "learning." When asked about girls he smiled and said that Switzerland has many lovely girls but does not have the Grand Canyon or the Andes or Alaska.

The Division of Highways has announced that the sealed bid sale scheduled for March 26, 1959, covering 0.22 of an acre of excess land owned by the State, located at the northwest corner of the intersection of Highway 89 and Squaw Valley Road in Placer County, has been cancelled.

My Neighbors

"...then one day about three months ago he came in and said, 'to hell with the recession!'"

GOVERNOR APPROVES
CAMERON FOR POST

Governor Edmund G. Brown today released the following letter approving the candidacy of Ronald G. Cameron, Auburn attorney, for the 7th Senatorial District State Senate seat, including the counties of Nevada, Placer and Sierra.

"Mr. Ronald G. Cameron, Attorney at Law 1409 Lincoln Way Auburn, California

"Dear Ron:

"I am greatly pleased that you have agreed to seek the State Senate seat vacated by the election of our mutual friend, Biz Johnson, to Congress.

"The Democrats in Nevada, Placer and Sierra counties have chosen well in supporting your candidacy.

"We welcome vigorous young leadership in Sacramento. The Legislature is already getting valuable contributions from other new members who were elected in November.

"Your neighbors know your fine record as an attorney, a former president of the Chamber of Commerce and a leader in other community activities. So do I.

"Now that the residents of other communities in the 7th District are also getting to know you and that record as well, I am sure you will be their overwhelming choice for State Senate.

"Good luck in your campaign. I am looking forward to seeing you in Sacramento after April 7.

"With best personal regards,

"Sincerely,

Edmund G. Brown, Governor"

WEATHER REPORTS
DISCUSSED AT MEET

TAHOE VISTA — Errors in reporting road, weather and housing conditions in the Lake Tahoe area were discussed with an aim for improving this costly and unnecessary condition, at a luncheon meeting sponsored by the North Lake Tahoe Businessmen's Association Monday at Nevada Lodge.

The meeting was presided over by T. L. James, association president, who pointed out the losses suffered by resort and motel people through misinformation in the press, radio and television.

Officials of the California State Automobile Association, the highway patrol and weather bureau were present to explain their methods of reporting and agreed that errors had been made and proposed future correction where possible.

Among the speakers were Edwin Moore, executive vice president of the AAA who spoke in behalf of his organization and the thoroughness which is used in reporting conditions.

Moore, incidentally, said that a branch office of the AAA would be installed at North Tahoe by May 1, for closer coordination.

Les Gordon of the weather bureau; George Land, approved motel manager; Gene Schoup of the Reno AAA and Joseph McDonald, AAA director, were among the speakers.

Mr. and Mrs. J. B. Kirk and daughters have returned here to make their home.

BENEFIT DINNER DATE
The Community Methodist Church of Kings Beach will hold a benefit buffet dinner at the Crystal Bay Club on Friday Evening, April 10th. Co-chairmen of the event will be Bob Critchley and Harry Hooper. It is hoped that the friends of the church will attend this annual event. Tickets will soon be on sale.

Olson Ill—
Ernest Olson has been a patient in the Southern Pacific Hospital at San Francisco, following a recent illness.

Methodist Youth Fellowship: 7:00 p.m. Sunday.
This Sunday the Pastor's Lenten Series on The Lord's Prayer continues with a sermon on "Lead us not into Temptation, but deliver us from evil." Does God lead us into temptation? Sometimes Christians have tried to find some way to exclude this passage, but it is surely as important as any other petition in The Lord's Prayer, and meant by Christ for us to take as seriously. What does it mean? What should it mean in our prayer?

TRUCKEE BIBLE CHURCH
(Non-denominational)
Roy S. Rhoades, Pastor
Sunday school, 10 a.m.
Morning worship, 11.
Sunday Evening Fellowship at the home of the pastor.
This Friday Pastor Rhoades will be the guest speaker at a Sierra Nevada Youth Rally in Hawthorne, Nevada.
Sunday's message, "I Thirst" is taken from words spoken by the suffering Saviour shortly before he bowed his head and gave up the Spirit. They are recorded only in the Book of St. John which is fitting since this Gospel presents Christ as God, even as Matthew sets Him forth as King, Mark as Servant and Luke as Humanist. Christ is the forerunner and example to us of our needs in this life as well as the next.

R. C. "RAY" DUNLAP
STATE SENATOR

Special Election Tuesday, April 7, 1959

A union labor man, who will work for all interests. 14 years in railroad train service.

NOTICE OF HEARING
SETBACK VARIANCE
TAHOE VISTA

NOTICE IS HEREBY GIVEN by the Placer County Planning Commission that two public hearings will be held by said Planning Commission on Friday, March 27, 1959, and Friday, April 10, 1959, at the Courthouse, Auburn, Placer County, California, at the hour of 2:00 P.M. to consider an application for a variance to construct dining room and lounge in excess of 500 square feet in multiple zone. Said variance is requested to facilitate complete operation of 100-unit year-round resort, on the following described property:

PARCEL ONE: Part of Section 13, Township 16 North, Range 17 East, M.D.B.&M., commencing at the northeast corner of Lot 1, Block "C" Tahoe Vista Subdivision as per map thereof now on file in the office of the County Recorder of Placer County, California, and running thence North 28° 28' East 236.49 feet; thence North 69° 15' East 64.50 feet; thence North 79° 09' East 180.50 feet to a point on the south line of State Highway at the northwest corner of parcel to be described hereby, the point of beginning and run thence from a tangent which bears North 89° 02' 50" East along the south line of said Highway to the arc of a curve to the right with a radius of 525 feet through a central angle of 11° 00' 20" (the chord of said arc bearing South 85° 27' East for a distance of 100.70 feet); thence South 2° 12' East 685.18 feet to the shore of Lake Tahoe; thence along the shore of Lake Tahoe North 53° 01' West 129.01 feet; thence North 2° 12' West 615.50 feet to the point of beginning. Together with all land which lies south of and between the hereinabove described property and Lake Tahoe and between the east and west lines of said property continue southerly to Lake Tahoe.

PARCEL TWO: Part of Section 13, Township 16 North, Range 17 East, M.D.B.&M., commencing at the northeast corner of Lot 1, Block "C" Tahoe Vista Subdivision as per map thereof now on file in

the office of the County Recorder of Placer County, California, and running North 26° 28' East 238.49 feet; thence North 69° 15' East 64.50 feet; thence North 79° 09' East 180.50 feet; thence South 85° 27' East 100.70 feet to a point on the south line of State Highway at the northwest corner of the parcel to be described, the point of beginning; and run thence South 2° 12' East 685.18 feet to the shore of Lake Tahoe; thence along the shore of Lake Tahoe, South 53° 01' East 27.19 feet and South 63° 39' East 109.28 feet; thence leaving said shore North 0° 59' West 706.84 feet to the south line of State Highway; thence along the arc of a curve to the left with a radius of 525 feet (the chord of said arc bearing North 72° 14' 40" West a distance of 140.64 feet) to the point of beginning. Together with all land which lies south of and between the hereinabove described property and Lake Tahoe and between the east and west lines of said property continue southerly to Lake Tahoe.

At said hearing all persons in favor or opposed thereto may be heard.

GORDON COLLINS,
Secretary Placer County Planning Commission.

NANCY CAPERON,
Clerk of said Commission

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: Our book shelf has a lively appeal for this class. This week Rose Compos, Nancy Rablin, Anne Hackett, Joyce Smart and Donna Horman brought books to share with their friends.

THIRD AND FOURTH GRADES: Our class votes for new officers each month. Officers for March are: president, Len Vind; vice president, Linda Russell; secretary, Elgin Johnston; and treasurer, Kathy Brasch.

Monitors for the month are: David Derting, board; Ken Hensley, paper; Wilbur Glenn, milk; Charles Collier, books; Cheryl Comola, sink; and Bill Rose, balls.

FOURTH GRADE: Best spellers: Donna Smith, Darlynn Ingalls, Linda Dallas, Terri Richards, Dennis Richards, Ronnie Walker, Beverly Holleman, Gail Englehart, Richard Purington, Billy Hobbs, and Garre Lynn Stewart.

Outstanding papers in arithmetic: Darlene Doolittle, Beverly Holleman, Bruce King, Pat Merica, Craig Mullis, Dennis Richards, Terri Richards, and Garre Lynn Stewart.

Tim McLane, Terri Richards and Beverly Holleman performed very well in oral reading.

FIFTH GRADE: Top compositions in the fifth grade language class were turned in by Betty Saarni, Dave Douglas, Ricky Ralphs. The title of the composition was "The Aims of the Olympics."

Twenty-five out of twenty-six people got excellent in Friday's spelling test.

With the warm weather, the fifth grade began preparation for their track meet with the sixth grade. John Besio, Monty Straub, and Dave Douglas looked good in the sprints, while Doug Nelson, John Besio, and Walt Dallas looked promising in the broad jump.

SIXTH GRADE: The sixth grade organized the stamp collectors and formed a stamp club. Mike Sauby is president; Tod Bedrosian is vice-president; David Sorani is secretary-treasurer. David Watts, Gary Jensen, and Denny Stumbaugh are also members. Steve Davis is going to join soon.

TAHOE LAKE

KINDERGARTEN: The kindergarten class is learning more about transportation in our country.

Free hand drawings are being made for booklets. An original story will be added to each drawing.

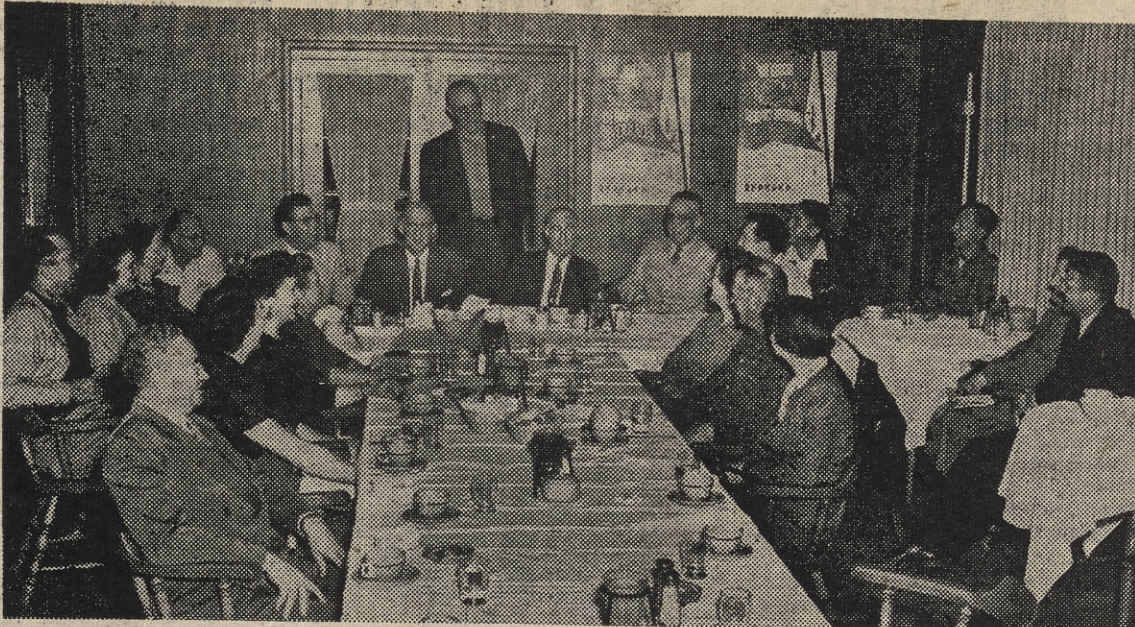

An experiment of why ocean water is salty and what happens when it evaporates is in process now.

FIRST GRADE: Tahoe Lake first graders have three spelling tests every week. The students who made 100's on every test this week were Mark Davis, Peter Sutton, Mindy Bechdolt, Lisa Beckman, Sharon Christensen, Sands Hall, Peggy Hoff, Colleen Howard, Christina Keen, Leslie McBride, Karla Meixner, Dorothy Pomin, Sandra Smart and Nancy Beavers.

In our Social Studies unit on the farm, we have completed our dairy books, our horse books and are now studying four different kinds of goats and will finish these books this week.

SECOND GRADE: During the study of freight trains the second grade made individual types of cars. These are large enough to make a complete display reaching around the class room. Denise Kimball made a fine refrigerator car showing the ice compartments. Greg Pyle made an outstanding engine, showing all the details of the power wheels.

SECOND AND THIRD GRADES: After hearing Peter and the Wolf in music appreciation, a shadow play was given with the figures made by Greg Pyle. Mark Sullivan narrated while Cheryl Bechdolt and Tommy Handy moved the shadow figures in unison. New original story booklets were made starting with two new contributions: Dick

A group of chamber of commerce and fire-ette officials met at the Alpine Riverside Hotel last week for a general discussion of the proposed paint-up campaign. The group included N. F. Delley (standing), who presided at the meeting; Connie Ever, president of the Fire-ettes; Mrs. Miles Horne, publicity director for the Fire-ettes and Dolores Osburn, Callie Kydd and Jessie Hellar of that organization; Lee Apple, Bank of America; Carroll Maynard, Rotary Club president; Charles Osburn, Rotary Club; Mrs. W. D. Randall, president of the Wyethia Club; Mr. and Mrs. Walter Barrett of the Sierra Sun; Zeph Rose, chamber vice president; Rex Reid, Builders Supply Center; C. Z. Smith, insurance; Frank Fox, Lions Club president; Daven Moray, utility district manager; Mrs. Delley, Lou Brown, Spike McGee and Carl Carter of the W. P. Fuller Co. of Sacramento.

rector for the Fire-ettes and Dolores Osburn, Callie Kydd and Jessie Hellar of that organization; Lee Apple, Bank of America; Carroll Maynard, Rotary Club president; Charles Osburn, Rotary Club; Mrs. W. D. Randall, president of the Wyethia Club; Mr. and Mrs. Walter Barrett of

the Sierra Sun; Zeph Rose, chamber vice president; Rex Reid, Builders Supply Center; C. Z. Smith, insurance; Frank Fox, Lions Club president; Daven Moray, utility district manager; Mrs. Delley, Lou Brown, Spike McGee and Carl Carter of the W. P. Fuller Co. of Sacramento.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

The spring like weather is still with us—a little windy but the temperature today, Monday, is 62 degrees. The weather man has promised the same for the next few days. Spring bulbs are up out of the ground four inches and the birds, along with other signs of spring, is a pretty good feeling.

BENEFIT

The St. Nicholas Episcopal church of Tahoe City held a benefit dance and buffet at Crystal Bay Lodge on Friday the 6th of March. About two hundred attended and all proceeds went to the church.

BIRTHDAY

Many happy birthdays are wished for Davey Ashton whose 20th birthday was on the 10th of this month. We hope the 'Chef' on the carrier 'Kearsarge' where he is aboard at Long Beach, baked him a cake—Of course with only about three thousand aboard we can be sure there was no special cake.

LIONS CLUB

The North Tahoe Lions and Jemin and Jimmy Banta.

FOURTH GRADE: The following fourth graders received "A's" in the 150 word spelling dictation: Dick Pomin, Paul Sullivan, Tad Hall, Chris Beavers, Lynn Harper, Georgianne Luffy, Darlinda Stark, Jimmy Bechdolt, Jon Caulkett, and Johnny Carnell.

ladies held a speakers contest at the Nevada Club last Tuesday night, which is an annual event. The winner was Louise Sciutto, in second places were Bob Williams and Cynthia Reynolds. These young people really put forth every effort and do a wonderful job.

VISITORS

Mr. and Mrs. George Harrison of Reno and Brockway were up looking things over. Saw bulbs up in his brother's garden and says he knows Sam and Audrey will be up in a few weeks for the summer.

HAT PARTY

The hat party was a great success. About one hundred attended. I never did see so many kitchen gadgets. It was held at the Nevada Club.

SAD NEWS

Bill Hollenbeck, long time resident of Lake Tahoe, passed away in Auburn. He was born in Colorado Springs. We knew him in Pasadena where he had a home and lived for many years. Bill was well known all around the Lake where he did lots of work. Our deepest sympathy to his family.

BACK HOME

Alice and Andy Sorensen have been away for a few days and they are always glad to get back home. They were down around the bay area and said it was too hot.

SPORT CAR RACES

This last weekend was another exciting event. A sports car race was held at Crystal Bay on the roads back of the North Shore Club.

BRUNKER WILL FIGHT FOR TAX REDUCTION

Wally Brunker's campaign to fill the vacancy in the seventh senatorial district, comprising Placer, Nevada and Sierra counties, is off to a fast pace.

Brunker's first campaign headquarters have opened at 101 Bank Street, Grass Valley, his home town. Formation of the Brunker for State Senator campaign committee is announced. Brunker will have the assistance of three co-chairmen for Placer County, Charles Lauppe, Roseville tractor equipment dealer, will head the Brunker organization.

It was sponsored by Bill McGarry of San Francisco. There were one hundred and thirty from Lockhead Aircraft and one hundred and forty from San Francisco Sports Car Club of America. Lon Anthony was in charge with Curt Hartley in the group as 'Top' racer from the east. Trophies were given and will be announced later. Larry Ludlow's was the headquarters for the group. Many motels at Tahoe Vista were filled with the sports fans. Johnny Rayburn was host to the group at the Crystal Bay Club.

HONORED GUESTS

The Pfeiffer House recently held a dinner for many honored guests, including the Governor of California, Walt Disney of Disneyland, and Governor of Nevada Grant Sawyer. Many other celebrities were among the group.

In Nevada County, Mrs. Melva Hillier, television store proprietor, has been appointed chairman, and in Sierra County, Louis Huelsdonk, Downieville mine superintendent, heads Brunker's campaign.

The candidate, according to the committee, has set a strong pace for appearances this week throughout the district, holding meetings and talking to voters in Roseville, Loomis, Colfax, Alta, Dutch Flat in Placer County; Nevada City, Grass Valley and Truckee in Nevada County. He completed a tour of Sierra County last week and next week will make another campaign swing of the three counties.

Brunker's campaign slogan is: "Keep Your Taxes Down" and he stresses economy and efficiency in government. On the subject of taxation, his committee released the following statement from Brunker:

"I stand opposed to increasing or levying new state taxes. Economy

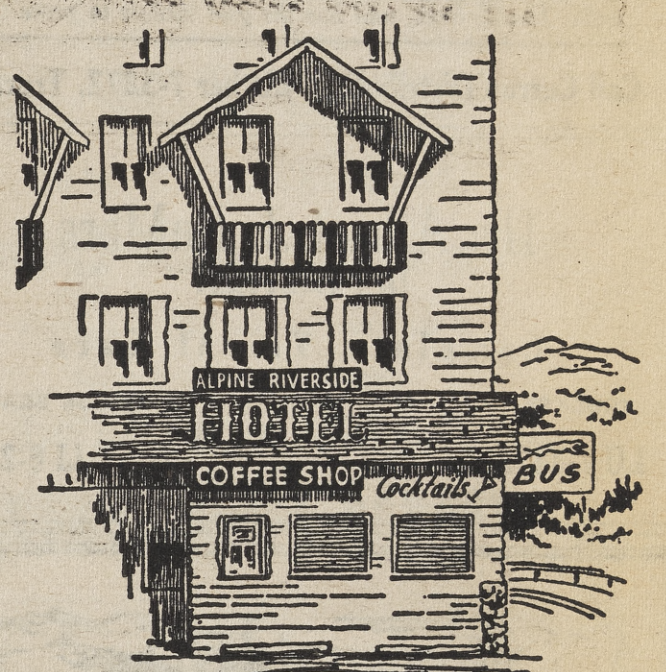

with efficiency can be achieved in government.

"In the State Treasury, there are between twenty and fifty million dollars accumulated as surplus in various special funds. These dollars are unbudgeted, unprogrammed and unused, surplus in the truest sense. In addition, the investment fund will have a balance of some one hundred fifty million dollars even after providing for 1950-60 appropriations of nineteen million.

"I strongly believe that all surplus dollars as well as the unappropriated balance of the investment fund should be fully utilized to meet the anticipated deficit before the already over-burdened taxpayers of this state are asked to contribute another slice of their standard of living."

Party Honoree— Mr. and Mrs. John Morrisseau were in Sacramento Friday where she was the guest of honor at a party.

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

Mrs. Herb Haley has phoned to say that she too has seen the new kind of thrush that Mrs. Phil Geier spoke of. Mrs. Haley is quite sure that it is the varied thrush and that its usual habitat is in British Columbia and Washington. She has never seen it here at the Lake before. Since she lives within a mile of Mrs. Geier the two women may be seeing the same group of birds. There are at least two sets of mates, Mrs. Haley declares. For twenty winters she has been a bird watcher too. She and her husband live in an upstairs apartment built of stone and she has fixed up a feeding station on the wide window sill of her kitchen. Many nights they have watched flying squirrels come to feed there and once a racoon climbed the wall to take his portion.

VFW Post 7077 and its Auxiliary again spearheaded the March of Dimes for our whole north and west Lake area this year. They wished to express their thanks to the Women's Club of Tahoe for their help in sponsoring the Mothers' March at Tahoe City. Close to \$100 was added to the fund by the Tahoe City's efforts.

The supper held at the Crystal Bay Club by the St. Nicholas Church was a great success the women of St. Nicholas Guild feel. They want to express their gratitude to the Crystal Bay Club for the food which was all donated, to the Donner theater for its free advertising, and to all the local merchants of Tahoe City for their donations.

The Women's Club of Tahoe met last week at the home of Mrs. Gordon Brown in Rockwood Lodge at Homewood. Mrs. Bud Meixner showed a conservation film called "Keep America Beautiful" which the women enjoyed. Mrs. Marshall Ruhlala, program chairman, then directed a social hour of bingo. The time and place of the next meeting of the Women's Club will be announced in the near future.

The community is happy to learn that Warren Porter is home and doing well after the heart attack which put him in the hospital last week.

The Tahoe Squaws met last week at the Tahoe Inn where the members had Mr. and Mrs. John

KNOW YOUR ENEMY!

By Robert F. Delaney, Chief, Central Europe Branch Voice of America and Editor of THIS IS COMMUNIST HUNGARY

Nikolai Lenin, former Communist leader, once remarked, "As long as capitalism and socialism exist, we cannot live in peace...in the end, one or the other will triumph...this is a respite in war..."

As the prospective victim of seemingly unending Communist campaigns, the Free World must ensure itself of an adequate understanding and appreciation of the menace which threatens our way of life. But how can we educate ourselves to the dangers we face? TO A LARGE degree this process of self-education can and Delaney must be carried on through the use and influence of the written word — in books, pamphlets, documents. This is fundamentally a task for the librarian. No more serious intellectual responsibility can be imagined than for our American professional librarians to guide and illuminate a searching citizenry as to the doctrines, history, methods and personalities of the Communist cause and, particularly, its American center — the Communist Party of the United States of America (CPUSA).

We must at all costs come to understand the enemy we face: that the struggle with Communism is more than one of differing political systems, that Communism attacks all forms of religion which base their beliefs in God; that Communism doesn't believe in the sacred dignity of man, justice, and the moral law but only in force. It is this false and diabolical way of life we must come to know if

we are to survive. ABOVE ALL, one must be realistic about Communism and see its many faces: Communists harangue the liberals on civil rights, thus providing protective cover for their own questionable activities; they decry "imperialism" so as better to hide the world's greatest colonial power — the USSR; they demand reform of American judicial structures so as to free convicted Communist agents. A reader need not assume the accuracy of experts or specialists in the field. He can with the expenditure of several hours of his time see for himself simply by studying what the Communists themselves say of their mission and plans.

This process of education and exposure is not an easy task. But each one of us, as citizens and believers in democracy, should make an honest effort to acquaint ourselves with the Communist Party's basic beliefs, plans, and objectives. Books like Possony's CENTURY OF CONFLICT, McFadden's THE PHILOSOPHY OF COMMUNISM, the Congressional 2-volume study of SOVIET TOTAL WAR, and Dalin's SOVIET ESPIONAGE will be a good start in the right direction.

We can likewise help our neighbors and community come to this same knowledge by encouraging our local library and book stores to prominently display sound books, pamphlets, and documents which effectively expose Communism for what it is — a diabolical power intent on destroying the Free World.

THERE is little doubt but what the basic problem of the mid-Twentieth Century is the struggle between Communism and the Free World. Where do you stand?

† Public Feature Service, Washington 17, D.C.

McGlade of Truckee as their guests Mr. McGlade spoke about the Tahoe Forest Hospital and its needs. The women are interested in the hospital as one of their projects.

Dinty Moore of Jack and Dinty's Market celebrated his birthday March 7 by working as usual! His beautiful birthday cake made by Leonard Bury arrived while the PTA was still holding its food sale. Dinty put the cake on the table among the other good things but it was definitely not for sale. Many happy returns, Dinty.

We do not wish any returns to Bill Becholdt of his mumps. We always chuckle when adults fall victim to these childhood diseases — partly, perhaps, because it really is

no joke. Get well soon, Bill.

Be sure to come to PTA this March 19 at 7:30 p.m. at the Community Hall. Jim Reynolds's choir will sing, Miss Jane Cotton, county librarian from Auburn will speak, and we will be voting by ballot on our decision as to whether we wish to remain with the State and National PTA or whether we wish to be an unaffiliated organization.

Mrs. Ivy Bean and her son, Norman, recently returned from Alaska, were visitors at the home of Mr. and Mrs. Al Cavallo this weekend. As most of you know, Ivy is Geri's mother. Most of the children remember Mrs. Bean too for her cheery presence for several years at the Tahoe Lake school.

Mr. and Mrs. George Lardner and family including the new addition are away for a short while in Auburn. The new little boy who was born at Tahoe Forest last week carries the fine name of William George Lardner. Chris and Nancy are very proud of their baby brother.

Mr. and Mrs. Bob Jorgensen and the children are in Oakland to attend the funeral of Betty's father, Mr. Maricle, who died there last Thursday. Many of you have met Mr. Maricle and will join in extending our sympathy to the Jorgensens for their loss.

Dr. and Mrs. William Henry are back again after several months spent below. Carolyn and Jimmie re-joined their classmates at Tahoe Truckee High and Tahoe Lake school this last week.

The Tahoe Squaw Valley Ski Club came away with shining laurels from the weekend's Point Race at the Reno Ski Bowl which the Reno Ski Club sponsored. The scores are too many to tell all here but certainly Tahoe and Squaw have reason to be proud of their juniors. Sherry Thatcher, Patty Lewis and Jeannie Spitsen did excellently in their class II downhill.

Paul and Mark Sullivan, John and Jim Caulkett, Calvin Becholdt, Bro Shontz and Tad Hall showed up well in both downhill and slalom events.

Little Barbara Nielsen came in first in the V class downhill followed by Vicky Jones with a second. Sandra Poulsen took part in this event too. In the slalom Vicky and Barbara changed places and each received trophies. In the jumping our boys shone. In class V Jimmy Becholdt took first place and Calvin Becholdt second. John Caulkett was right behind them. Dick Neilson and John Carnell came off with first and second trophies in their class IV. Others of our youngsters who did well in the three day races were Karen McBride who took third in her class IV slalom and Cathy Connors, Julianne Becholdt, Stephanie Snyder, Danny Connors, Bill Blackburn, Pat Bacon and Dee Dee Tschopp.

Mumps — Bill Becholdt and four of his children had the unhappy experience of being ill with the mumps, at the same time.

In 1956 the Navy established radio stations in the Antarctic at Little America (KC4USA), McMurdo Sound (KC4USV), and Marie Byrd Land (KC4USB). The latter is the first radio station in history to be at the South Pole.

San Francisco's major museums had more than three million visitors in 1957.

**NOTICE OF INTENTION TO
ENGAGE IN THE SALE OF
ALCOHOLIC BEVERAGES**

To Whom It May Concern:
Subject to issuance of the license
applied for, notice is hereby given
that the undersigned proposes to
sell alcoholic beverages at the
premises, described as follows:
SS Highway 28, Kings Beach,
Placer County
Pursuant to such intention, the
undersigned is applying to the
Department of Alcoholic Beverage
Control for issuance by transfer of
an alcoholic beverage license for
these premises as follows:
ON-SALE BEER AND WINE
Anyone desiring to protest the
issuance of such license may file
a verified protest with the Depart-
ment of Alcoholic Beverage Control
at Sacramento, California,
stating grounds for denial as pro-
vide by law. The premises are
not now licensed for the sale of
alcoholic beverages. The form of ver-
ification may be obtained from any
office of the Department.

LACROSSE AWAY—This new developmental Army missile,
shown in flight at a recent public shoot at White Sands Mis-
sile Range, N.M., reduces strong points beyond range of light
and medium artillery. A solid-propellant rocket motor
launches it on short notice from a standard Army truck.

SACRAMENTO — (CNS) — Will-
iam E. Warne, California's new 53-
year-old Fish and Game Director,
will be on the job April 1 and he
"expects to get the job done" in
operating the state controversy-
ridden Department of Fish and Game.
In an exclusive, trans-Pacific tele-
phone interview with Capitol News
Service, Warne said he had "no
pre-determined" ideas of what
should be done in California.

"However, I am a conservation-
ist and understand the general pur-
poses for which the department
operates," Warne said. "I'm not
familiar with what problems the
present department administration
has had."

Warne, who said he had been
in Saigon and Hong Kong and had
not known of his appointment
definitely until the telephone call
from CNS, added that he has made
"no commitments to any person."

The new director spent four
years as assistant Secretary of the
Interior, including two as super-
visor of the U. S. Fish and Wild-
life Service. He told CNS he ex-
pected to draw on his experience from
this work to operate California's
Department.

"I'm a pretty strong administra-
tor," Warne said. "The record will
show that I have been established
as a man who gets things done."

**NOTICE OF
GOVERNING BOARD MEMBERS
ELECTION AND COUNTY BOARD
OF EDUCATION ELECTION**

2 Members of Sierra Junior Col-
lege, Junior College District.

1 Member of Tahoe Truckee Uni-
fied School District, Unified School
District.

2 Members of Placer County
Board of Education.

NOTICE IS HEREBY GIVEN TO
THE VOTERS OF THE ABOVE
DISTRICTS OR DISTRICTS OF
THE County or Counties of
Placer and Nevada, California, that
the Annual Election for members
of the Board or Boards of the said
district or districts will be held on
the third Tuesday of May, namely,
May 19, 1959, for the purpose of
electing the number of members of
the governing boards of the dis-
tricts as indicated above.

The polls will be located at:
Precinct No. 1—Donner Trail
School, Kingsvale.

Precinct No. 2—Kings Beach
Elementary School.

Precinct No. 3—U. S. Post Office,
Floriston.

Precinct No. 4—Tahoe Lake Ele-
mentary School, Tahoe City.

Precinct No. 5—Truckee Eleme-
ntary School.

The polls will be kept open be-
tween the hours of 7:00 o'clock
A.M. and 7:00 o'clock P.M.

The election returns will be can-
vassed at 10 a.m. o'clock on May 29,
1959, by the county superintendent
of schools at 138 Maple Street,
Auburn, California.

Deadline for the receipt of ab-
sentee ballots is May 28, 1959.

Forms for declaration of candi-
dacy may be obtained at the office
of the county superintendent of
schools, 138 Maple Street, Auburn,
California.

The last day for filing decla-
rations is April 17, 1959.

Dated March 2, 1959.

ALBERT F. BEQUETTE

(County Superintendent of Schools)

All qualified voters of the school
district who were registered at
least 54 days before the election
in the (general election) precinct
in which this election is held may
vote thereat

**BRAD CRITTENDEN IS
NEW HEAD OF C. H. P.**

SACRAMENTO — (CNS)—Brad-
ford Crittenden, district attorney
of San Joaquin County, was nomi-
nated today by Governor Edmund
G. Brown as chief of the California
Highway Patrol.

He will succeed Bernard R. Cald-
well, commissioner of the patrol
for the past six years, who sub-
mitted his resignation to the go-
vernor today, effective March 16.

Crittenden, 46, is the son of the
late Bradford Crittenden, state sen-
ator from San Joaquin county.

The job pays \$16,500 per year.
Crittenden, who is a Republican,
has been district attorney of San
Joaquin county for four years,
and has served in the office for
15 years. He has been active in
safety programs and is an execu-
tive board member of the San
Joaquin Safety Council.

"I'm proud to have a man of
Brad Crittenden's demonstrated
abilities as a law enforcement offi-
cer agree to take this most re-
sponsible position," Brown said. "I
have long regarded him as one of
the ablest district attorneys in
California."

Crittenden, the governor said, is
prepared to take a major part in
the state's new "get tough" high-
way safety program.

Crittenden lives in Stockton, is
married, and has two children. He
is a graduate of the College of the
Pacific, and the Hastings law school
of the University of California in
San Francisco.

director.

"I have been serving overseas for
seven years," he said. "I want to
return to my native state of Cali-
fornia."

Warne was born and grew up in
southern California. He had been
in government service for 23 years
but, two years ago, established his
permanent residence in Altadena.
He is a Democrat and served in
federal posts under President
Roosevelt, Truman and Eisenhower.

Warne's arrival on the California
scene was expected to end much
of the uncertainty which has sur-
rounded fish and game affairs in Cal-
ifornia since Gov. Edmund G.
Brown announced early in Janu-
ary that Gordon would not be re-
tained as head of the department.

At least a dozen names had been
considered as being in contention
for appointment to the director-
ship, but had not included Warne's
name until several days ago. His
appointment, which is subject to
confirmation by the state senate,
was announced by Brown on
March 2.

TAHOE LAKE P. T. A. WILL MAKE DECISION

TAHOE CITY — The Tahoe Lake School P. T. A. will hold their next meeting on Thursday, March 19, at 7:30 at the Community Center over the post office.

All members of the P. T. A. are urged to attend, as a vote will be taken to determine if the Tahoe Lake School will stay in the National Congress of Parents and Teachers or if they will form an independent local group.

Jim Reynolds will conduct the school choir in a program of songs and poems. Miss Jane Cotton, head librarian of Placer County will speak on children's books available through our local branch of the county library.

There will be baby sitters available at the Tahoe Marina behind the post office.

This is a very important meeting to our school and children so every one should be there to vote on this important question.

On Recovering List—

Local hospital patients last week included Miss Evelyn Stinchfield who is now recovering from influenza and Linda Giovannoni who had treatment for and old knee injury.

NEVADA IS WINNER IN COLLEGIATE MEET

NORDEN — The 19th annual Warren Vanderbilt Memorial Intercollegiate Ski Meet took place over the past weekend with a tremendous success.

It was the best 4-way meet ever held at Sugar Bowl, favored by excellent snow conditions and sunny skies. The Oregon State College team was leading in points at the end of three events, downhill, slalom and cross-country, but the Nevada team was the winner of the cross-country and tumbling and won the meet with 384.5 total points. Oregon State was second with 378.5 and Stanford was third with 355.7 points.

Mills College was the first team for the girls. Special honors went to Ski School Director Junior Bounous, chief of course and head referee, for setting most excellent courses on Mt. Lincoln and Disnev.

On Friday, March 13, the Placer High School will be the host for the Interscholastic Ski Federation Championships (California-Nevada) — downhill and slalom. Competing teams will be South Tahoe, Tahoe Truckee, Placerville, Monague of Reno, Lee Vining, Placer of Auburn.

The Sugar Bowl Ski Club Championships will be held on Sunday, March 15, giant slalom off Mt. Disney, if conditions are favorable.

From Fresno—

Mrs. M. Coleman and Mrs. Serina Nielson came from Fresno Monday for a combined pleasure and business trip.

In Hospital—

William Englehart, Sr. entered Tahoe Forest Hospital last Thursday, suffering from a respiratory ailment.

LETTER TELLS PLAN FOR PAINTUP TASK

A plan similar to the one adopted by the residents of Greenville two years ago in having their community redecorated is contemplated by the Truckee Donner Chamber of Commerce for this community.

Mrs. Leonard Morris, chairman of the Weaverville Paintup Festival has written to the Truckee Fire-ettes, co-sponsors of the local program, giving an idea of the plan adopted there.

The letter, in part reads: "It has been years since a project has been received by the people of Weaverville with such whole-hearted enthusiasm. We are still so delighted with the result that I will gladly come over and meet with your committee if it would be of any help. Our committee of three women was chosen by the Chamber of Commerce as a result of a letter directed to the Chamber of Commerce complaining about the shabbiness of our town. We three explored ways of improving the town's appearance. We wrote to many agencies for community improvement."

Our Chamber of Commerce held a large meeting inviting our town's people to a pot luck dinner.

If you people decide to paint you will receive your most valuable help from your local newspaper. We could never have sold the idea with out their help. Some one from their office sat in on all committee meetings. We tried to keep them posted on every news worthy thing that was progressing. We asked that a representative from every community organization meet with us to help formulate plans.

In the early stages of planning we decided what committees we needed and then chose competent people to head these committees, asking these chairmen to select people they wished to serve with them.

Our food committee served a free noon meal to all painters both Saturday and Sunday, 600 people were served during both days. Our entertainment committee filled both days with music, helping enormously to give the venture a festive spirit and we had a free street dance Saturday night. Traffic control was under the direction of our local officer who with the help of our local maintenance men did an excellent job of getting the street blocked off and traffic re-routed. As for actual painting, each building was assigned to a specific group. The P. T. A. painted the Rainier Bar, the P. G. & E. and the Telephone Co., the New York Hotel. The Baptists painted on Saturday and the Seventh Day Adventists finished the building on Sunday. P. T. A. took over baby sitting for the painting mothers. All in all the project was a wonderful experience, and the results are still with us.

Let us know if there is anything we may do to help.

Plaque Awarded For Polio Efforts

CRYSTAL BAY — Commander Eugene Faulkner and Junior Vice President Sophia Levra of the Veterans of Foreign Wars and Auxiliary of Post 7077, Lake Tahoe, presided at the dinner party held at Crystal Bay Club with guests of honor, Ralph Eldridge, Nevada State Polio Chairman and Wiley Jones, area polio chairman.

Eldridge stated that each year the March of Dimes contribution in this area have increased and that throughout his travels and at numerous polio meetings the North Tahoe area has been acclaimed for its work.

In recognition for the sincere efforts and hard work that has gone into the March of Dimes on the part of Wiley Jones, the VFW and Auxiliary and the Crystal Bay Club a plaque, the only one of its kind, was presented to Jones and the post commander, Gene Faulkner, in behalf of the National Polio Foundation.

The plaque reads: "In sincere appreciation of the year's outstanding service—V.F.W., their Auxiliary and the Crystal Bay Club in support of the March of Dimes." The plaque was signed by Basil O'Connor, national president and Eldridge.

Eldridge said that the work done here cannot be matched anywhere in the county.

Jones reported that the 1959 March of Dimes drive at North Tahoe brought \$2,426.30, while the amount in 1958 was \$1,131. Jones expressed his appreciation to the

Improvements For Tahoe Department

TAHOE CITY — At a meeting of commissioners of Tahoe City Fire Protection District on March 6 a resolution was passed that no annual election be held for the election of two fire commissioners on April 7 and, that the Placer County Board of Supervisors be requested to make the appointments as prescribed by law. C. W. Vernon, clerk of the board, said no candidate had filed for election and that Harry Johanson and Martin Spitsen, the two out-going commissioners, have agreed to accept appointment.

Fire Chief Al Henry and his assistant chief, Pete Vanni, attended the meeting. The chief was granted permission to purchase 500 feet each of 2 1/4 inch and 1 inch new fire hose for the new American LaFrance fire truck which is being temporarily supplied from the other two fire trucks.

Assistant Chief Vanni made two suggestions, one for the entire area and one local. He suggested a huge map of the local fire district with numerous zones being shown and the printing of zone cards to hung near every telephone. In reporting a fire the person calling would give the zone number and before starting on the call, firemen would consult the wall map and be able to nearly pin point the place of call.

He said there had been confusion last Friday evening in locating where the call came from in the Tahoe Park area and that it was fortunate that a real fire did not develop. The commissioners will investigate the cost of compiling such a map.

The other suggestion was the forming of a mutual aid agreement with neighboring fire districts for cases of emergency. Clerk Vernon was instructed to write the Kings Beach, Truckee and Squaw Valley fire chiefs asking that representation including members of fire commissioners meet representatives of Tahoe City Fire District at Tahoe City Community Hall at 7:30 p.m. Thursday, March 19, to discuss the matter in view of drawing up a mutual aid agreement.

SIX BABIES BORN

Mr. and Mrs. Lee Van Wetter of Squaw Valley are receiving congratulations on the arrival, March 1 of their third child and first son at St. Mary's Hospital at Reno.

Robert Richard are the given names of the little boy who weighed in at five pounds, 9 ounces.

Mr. and Mrs. Terry Tollefson of Truckee became parents of their second son March 10 at Tahoe Forest Hospital. The child's arrival weight was 8 pounds, 7 and one fourth ounces. His parents are selecting his given names.

Mr. and Mrs. William Briner of Squaw Valley also welcomed a boy at the local hospital, March 11. The youngest Briner who was not immediately named, weighed 7

pounds, 13 and one half ounces. Mr. and Mrs. George Lardner of Tahoe City welcomed a son at Tahoe Forest Hospital, March 3. The lad has been named William George and his first weight was 5 pounds, 5 and three-fourths ounces.

Their first child, a son, arrived at the local hospital for Mr. and Mrs. James Morhain of Truckee on March 8. Mark Garret were chosen for his first names and he weighed in at 6 pounds, 15 ounces.

March Dates—

Birthdates were celebrated last week by Dorette Rose on March 3 and Mike Sauby who was also feted on the same day. Jerry Neugebauer was given a theater party last Thursday in observance of his birthday.

50 FEET LONG!

THE ROCK OF AGES!

ST. MICHEL
D'AIGUILHE --
Church of Le Puy,
France,
HAS STOOD FOR
OVER 900 YEARS
ATOP A 280-FOOT
BASALT ROCK...

THOUSANDS OF
PILGRIMS HAVE
CLIMBED THE 271
STEPS LEADING TO
THE CHAPEL

ONE WAY BOATS WERE USED FOR
DOWNSTREAM NAVIGATION ON THE
MISSOURI RIVER...
IT WAS CHEAPER TO GIVE THEM AWAY
THAN TO HAUL THEM BACK UP THE
RIVER

BOTH SEXES
OF THE ADULT
KING VULTURE
ARE ALIKE IN FORM
AND COLOR...
ONLY AN AUTOPSY
AT DEATH REVEALS
THE SEX, UNLESS, IN
THE MEANTIME, AN EGG
IS DISCOVERED IN
THE CAGE...

DIAMONDS FROM OUTER SPACE!

A SECTION OF THE CANYON DIABLO
METEORITE WAS EMBEDDED
WITH DIAMONDS!
(U.S. National Museum, Wash., D.C.)

A MONUMENT TO AN HISTORIC COFFEE BREAK...

DURING THE BATTLE OF ANTIETAM,
A SERGEANT, WITHOUT ORDERS,
RISKED HIS LIFE TO SERVE
HOT COFFEE AND WARM FOOD
TO EVERY MAN IN HIS
REGIMENT...
30 YEARS LATER THE
SERGEANT BECAME
PRESIDENT OF THE UNITED STATES--
WILLIAM MCKINLEY!

ZOOOOOM, CLANG --
THERE'S A FIRE IN THE
HILLS! CLANG, CLANG!

YOU'VE BEEN
CLANGING LONG
ENOUGH, PAT--WE
SHOULD BE THERE
ALREADY.

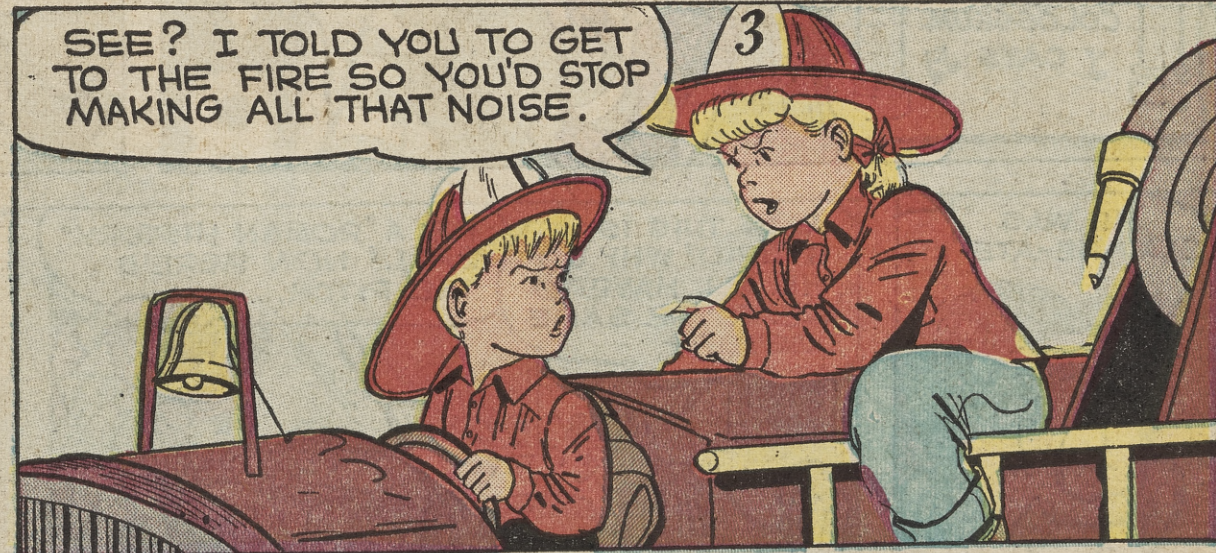

IT'S REAL
FAR AWAY--
WE'VE GOT
TWO MILES
TO GO
YET--
CLANG!

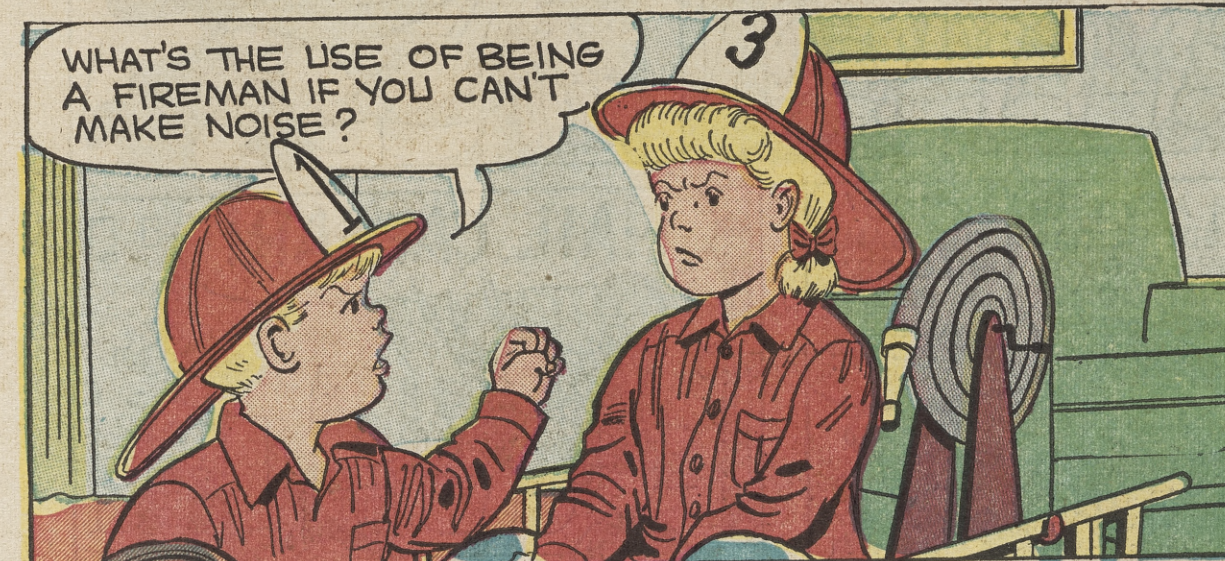

CAN'T YOU PLAY
MORE QUIETLY? DADDY
DIDN'T SLEEP ALL
NIGHT.

SEE? I TOLD YOU TO GET
TO THE FIRE SO YOU'D STOP
MAKING ALL THAT NOISE.

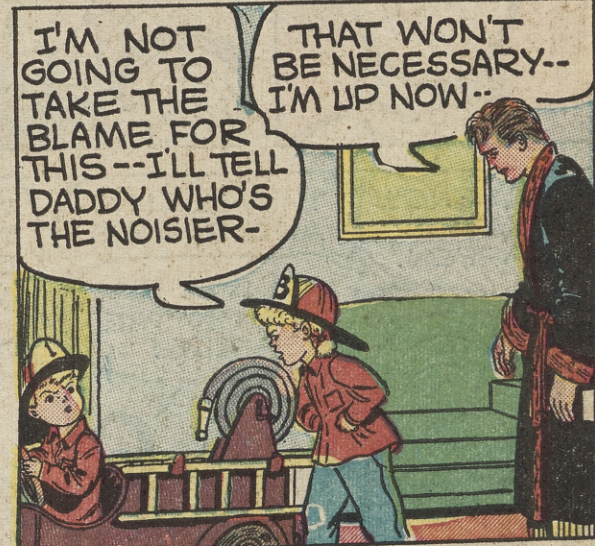

WHAT'S THE USE OF BEING
A FIREMAN IF YOU CAN'T
MAKE NOISE?

I'M NOT
GOING TO
TAKE THE
BLAME FOR
THIS--I'LL TELL
DADDY WHO'S
THE NOISIER--

THAT WON'T
BE NECESSARY--
I'M UP NOW--

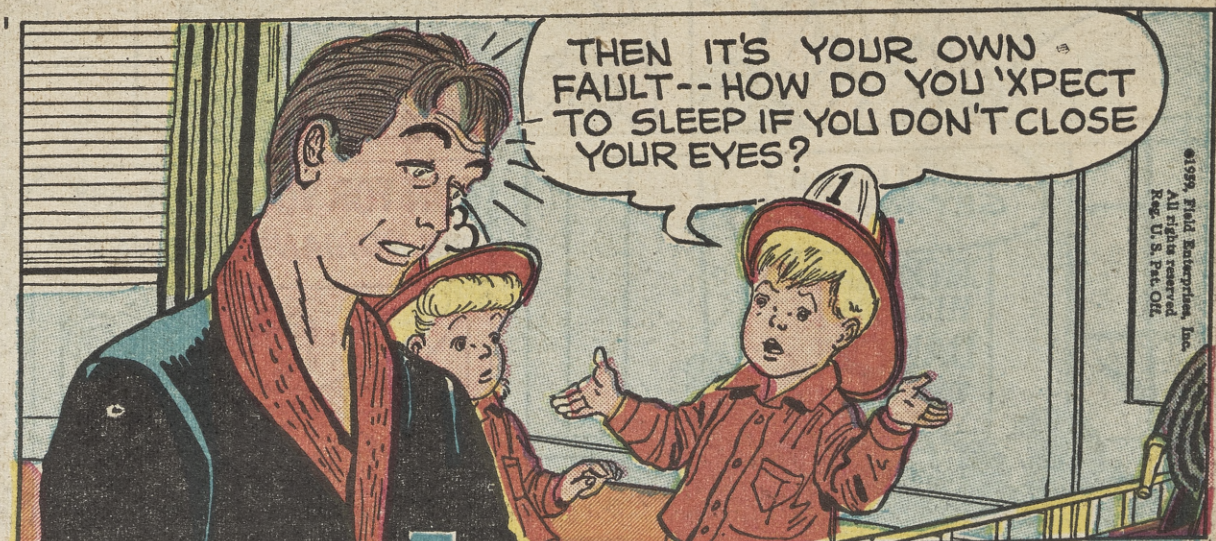

DIDN'T
YOU
REALLY
SLEEP
LAST
NIGHT,
DADDY?

NO--I DIDN'T CLOSE
MY EYES ALL NIGHT.

THEN IT'S YOUR OWN
FAULT--HOW DO YOU EXPECT
TO SLEEP IF YOU DON'T CLOSE
YOUR EYES?
